

The State of the Haulage Industry @ MCVE 2026

Join the Association of Malaysian Hauliers (AMH) and Asian Trucker Media for a series of Coffee Table Talks at The Malaysia Commercial Vehicle Exhibition (MCVE 2026).

14 May 2026

14:00 – 15:00 Improving Industry Image & Public Perception

15 May 2026

11:00 – 12:00 Credit Control - Optimizing Logistics Receivables

14:00 – 15:00 The Role of Reconditioned & Rebuilt Trucks

15:00 – 16:00 AI Adoption in the Logistics Industry

16 May 2026

11:00 – 12:00 Road Safety & Infrastructure

AMH will provide timely insights into the challenges and opportunities shaping Malaysia's commercial road transport sector. These Coffee Table Talks bring together industry leaders and authorities to address critical issues such as credit control, cash flow optimisation, public perception, fleet sustainability through rebuilt trucks, and road safety. It is a valuable platform to exchange ideas, stay informed on policy and infrastructure matters, and strengthen industry collaboration.

Venue : Mines International Exhibition & Convention Centre
